

### Homestay:

The most important element in learning a language is total immersion in it. Staying with a host family will give you the best opportunity to practise your new English skills outside the classroom. You can also experience Maltese culture at home and learn about the history, daily life, food and traditions of Malta.

Our host families licensed by the MTA (Malta Tourism Authority) are inspected to ensure that GV Malta's standards are maintained at a high level.

All our host families are conveniently located in the area within maximum 15 minutes walking distance of the school.

### Our specially selected families offer:
