Explore Malta and bring your English to life! The practice-oriented Teen Explorer sessions are held in small groups outside the school. Shopping together, interviewing/surveying people, ordering snacks and drinks, swimming and enjoying English at the beach are just some of the many practical interactive tasks included in this interesting programme. All sessions are professionally organised by fully-qualified native English teachers and focus on guiding students towards using correct grammatical structures, vocabulary and improving pronunciation and listening skills. A small group makes it easier for the teacher to concentrate on each student individually. Sessions are held in the mornings, at the same time as the Adult GE20/BE20, Kids Club and Pre-Teen courses, so ideal when booking Family Language courses.

## Kids, Pre-Teens and Family Courses

### School Fact Sheet

#### Kids and Pre-Teen Courses

Kids Club mini group (ages 4 – 7) and Pre-Teens (ages 8 – 11) are fun courses specially designed for very Young Learners.

The emphasis is on spoken and communication activities based on key topics such as pets, clothes, jobs, the environment, colours, numbers and the alphabet.

New language – vocabulary, colloquial English, pronunciation and basic grammar – is introduced through small group project and poster work, songs, nursery rhymes, DVD/Film, short listening texts and other imaginative exercises, using interactive whiteboards to encourage real communication and rapid learning. Kids Club focuses more on the visual, aural and oral skills rather than on the written aspect of the language as at that age they might still be unable to read or write.

Kids Club and Pre-Teens are held in separate classrooms and are conveniently held at the same time as the Adult GE20/BE20, Pre-Teen and Teen Explorer programmes and so are ideal when booking Family Language courses.

We have been in GVMalta for 3 weeks and it has been interesting to mix, to study English and to be on holidays all family together. It was funny to come together every morning to school and to meet us in the break. The children laughed when we said that we have homework also.
